# DEDICATION

It is in the recognition of the invaluable services rendered by our sponsor, Mr. L. E. Laird, that the Class of 1963 dedicates its yearbook to him. In doing so we express our appreciation of his sacrifice of personal time and for his sincere efforts in faithfully carrying out the responsibilities of his office.

Respectfully,

# CLASS HISTORY

The fall of '59 found 11 green freshmen enrolled at Lane High School. They were as follows: Dennis Baxter, Kay Cole, Kathy Gentry, Virgil Jones, Linda Long, Sharon McQuay, Gary Stevens, Ray Taylor, Bertha Timblin, Marilyn Weaver, and Nina Wylie. We were initiated by the Seniors, and they held an all-school picnic in our honour. After the picnic we went to the show. Mrs. Green was our freshman class sponsor.

A bashful class began school at Rantoul High School the same year. Soon we all learned our way around, and then we were no longer bashful. Our first year began with Wayne Evans, Sharon Bloomer, Helen Hubbard, Phyllis Stevenson, all of whom were from Rantoul, David Spencer from Spring Ridge, Ronald Walker, from Ottawa, Janice Pennington from West Valley, and later in our freshman year Kirk Stiffler joined our class from Wichita.

At the beginning of our Sophomore year at Lane we had a total of 10 as Bertha Timblin had transferred to Parker. Our sponsor was Mr. Laird.

The Rantoul Sophomores all returned safe and sound. During the year Helen Hubbard transferred to Hartford. But, she returned later in the year.

Our total enrollment was 9 at the beginning of the Junior year at Lane. We lost Nina Wylie to matrimony during the summer. We presented our play "Mr. Slick from Pumpkin Crick."

Our Senior year found five Seniors from Rantoul, seven Seniors from Lane, Ralph Babb transfer from Buena Park, California, and Linda James Young from Osawatomie enrolled at Lane High School, Joint 10. We presented our Senior play and we would like to thank everyone who helped us with it. We are all anxious for our Senior Sneak and Graduation Day.

# SENIOR CLASS PROPHECY

Ten years from the day we graduated, the Senior Class of 1963 meets at a class reunion at the site of the old Lane High School. We find Kirk Stiffler still trying to make Seaman First Class after ten-years of trying to get out of Basic Training. Virgil Jones married an Admirals daughter and is a Captain of a Destroyer in the South Seas. Dennis Baxter is a famous Professor of Chemistry and is married to ex-airline stewardess Sharon McQuay. They have four children, All Boys. Linda Long is married to a rich rancher and is a Beautician as a hobby. Kathy Gentry is a famous concert pianist and is married to a conductor. They have a three-year old son. Janice Pennington is married and has three children, four cats, and two dogs. She lives a nice peaceful life. Gary Stevens is a Professor of Mathematics and is doing quite well. He has a new 1973 corvet, and uses it for a good cause (chasing girls). Ray Taylor is the owner of an expensive restaurant in Paris. Helen Hubbard is now president of the Telephone Company where she used to work. She is married to Sgt. John Stechauner. Ronnie Walker is now advisor to the President to the U.S. on the Business Progress of the Country. He is still a Bachelor. Ralph Babb is the owner and president of the Sports Cars Latitude. He is still a Bachelor.

That evening the graduates of '63 enjoyed a very pleasant evening while talking to the faculty members at the banquet. Later they decided to have another reunion in 10 years.
